President's Message

Before the last meeting Larry Calloway fell down some stairs with his injuries, was not able to attend our last meeting. We hope he has recovered and able to attend this meeting. We have a very good program this month. Earl Brown will show us how to make wood bracelets. I am really looking forward to this. Please bring lots of "show & tell". This is always a high point of the meeting. Looking forward to seeing everyone on 7/17/2017 at 6:00 p.m.

Keep at quick mind, sharp blade and steady hand,
Willis
